

As students head back to school this September, we encourage parents to visit the Round Lake Area Public Library and make sure their children and teens sign up for the most important school supply of all - a library card.

A library card is a key resource in achieving academic success, and the library is the perfect place to spend quality family time together. This September, open the door to a world of possibilities for the student in your life, and sign up for a library card today.

Throughout the month of September the Round Lake Area Public library invites you to participate in fun activities for prizes. Patrons who apply for new cards or re-register expired cards will receive a small token of appreciation.
